

VISION BEYOND THE ORDINARY

Westmoreland County  
Blind Association

911 South Main St. • Greensburg, PA 15601

Since 1948, the mission of the Westmoreland County Blind Association (WCBA) has been to improve the quality of life of the blind and the visually impaired, and to assist in the prevention of blindness in Westmoreland County. In order to fulfill our mission, the WCBA offers the following services that enhance the productivity and independence of these individuals.

- Employment for the intellectually challenged and sight impaired in our Work Activity Center document destruction program.
- Employment for the blind and visually impaired in our Manufacturing Area. Through contracts obtained in association with the National Industries for the Blind, these employees produce products for the Department of Defense.
- Specialized Services provides assistance to the blind consumer in areas such as Chore Services, Life Skills Education, and Transportation.
- The Low Vision Center offers aids and appliances to the visually impaired that enable these clients to read printed material, watch television, and function independently. Dr. Chris Cakanac, O.D. F.A.A.O., a low vision specialist, works in conjunction with the WCBA to provide this service.
- The Prevention of Blindness Program screens 3 to 5 year old children for eye problems.
- The Custom Embroidery Department offers embroidered promotional items.

Your ongoing support of the Westmoreland County Blind Association will enable us to continue to serve the blind, sight impaired and intellectually disabled in our community.
