

Presents
A Night to Remember: Adult Prom

January 2020

Dear Business/Supporter:

Westmoreland County Blind Association (WCBA) has provided life enriching opportunities for those afflicted with sight impairments since 1948. In recent years, we have expanded services to include an Adult Training Facility for individuals with physical and developmental disabilities. We also provide Document Destruction, Manufacturing for the U.S. Department of Defense and other organizations, Embroidery Department, Low Vision Center, Pre-K Prevention of Blindness Screening and Specialized Services.

On Friday, March 6, 2020, WCBA will be hosting our 6th Annual Spring Benefit. This year's theme will be *A Night to Remember: Adult Prom*. The evening will include a Dinner Buffet, Signature Hors d'oeuvres,, and Cigar Lounge at Rizzo's Malabar Inn Reception Hall. Entertainment provided by Dj Tammy Petty and Photography by Julie Muir Photography, LLC.

This is WCBA's spring community event to generate valuable resources. WCBA's mission is to provide tools by which individuals with visual impairments can be employed, and those with physical and development disabilities may grow and achieve independence.

The participation of our area donors is critically needed and greatly appreciated. Please show your support of WCBA by choosing an advertisement option level below.

Thank you in advance for considering one of the contribution options below.

Sincerely,

Timothy P. Miller
