Since 1948, the mission of the Westmoreland County Blind Association (WCBA) has been to improve the quality of life of the blind and the visually impaired, and to assist in the prevention of blindness in Westmoreland County. In order to fulfill our mission, the WCBA offers the following services that enhance the productivity and independence of these individuals.

- Employment for the blind and visually impaired in our Manufacturing Area. Through contracts obtained in association with the National Industries for the Blind, these employees produce products for the Department of Defense.
- Specialized Services provides assistance to the blind consumer in areas such as Chore Services, Life Skills Education, and Transportation.

- The Prevention of Blindness Program screens 3 to 5 year old children for eye problems.
